Education

2022 - 2025

Green University of Bangladesh
Bachelor of Science in Computer Science Engineering

2018 - 2020

BGC Academy School & College
Higher Secondary Certificates(HSC)

Technical Skills

Frontend:

- React.js
- Next.js

Backend:

- Node.js,Express.js
- MongoDB

Tools & Platform:

- Firebase, Git , JWT,
- REST,APIs, Stripe

Soft Skills

- Leadership
- Team Management
- Problem Solving
- Time Management

Language

- English – Proficient
- Bengali – Native
- Hindi – Conversational

About Me

Driven by a passion for innovation, I aim to build impactful, scalable solutions using technologies like React.js, Next.js, Node.js, and MongoDB. My ambition is to grow as a tech leader and contribute to the future of intelligent, user-focused applications.

Project

AgriTech – AI-Powered Platform for Farmers

A smart agriculture web app offering AI-driven tools for crop recommendations, disease detection, and farming support.

Live Project | **GitHub** | **Contribution**

- Developed AI Chatbot using Gemini API with responsive chat UI
- Created key UI components: Footer, Partner, Category, and Blog sections
- Implemented community features: Farmer Forum, Local Events, and Q&A Forum

Visa Navigator Web

A user-friendly portal for checking visa requirements and tracking visa applications.

Live Project | **Client GitHub**

- Dynamic UI with Firebase authentication.
- Visa data management with MongoDB integration.
- Role-based access for applicants and administrators

Product Hunt

A MERN stack product discovery platform where users can submit, upvote/downvote, review, and subscribe to premium features

Live Project | **Client GitHub**

- Authentication with user roles (admin, moderator, user).
- Upvote/downvote system with real-time updates.
- Payment integration for premium features.

Certificate and Award

- **Programming hero**

  - Completed web development Course

- **10 Min School Courses**

Extra-Curricular Activities

- Programming Contests
- Hackathons: Engaged in web development hackathons.
- Treasurer Role: Served as Treasurer in college
